*The new phone book's here! The new phone book's here!
This is the kind of spontaneous publicity I need!
My name in print! That really makes somebody!
Things are going to start happening to me now.*
- Steve Martin, *The Jerk* (1979)

Okay, okay...it's been a "few" years since we printed a New College Alumnae/i Association directory. Sorry about that.

This directory has the names, contact information and occupations (some even true) for most of the 4,075 New College alums. It is a great list — 4,075 people who horrified their parents by embarking on a seemingly reckless experiment with their few (in many cases) precious college years. These people are forever connected to you through the shared experience of New College.

How will you use this directory? Start by looking up yourself — and groan if we made a mistake in your name or address. (Sorry again.) Move on to checking up on old girl/boyfriends, roommates, friends, enemies. Married? Employed? Living nearby and you didn't know it? Like to know more, wouldn't you? So, call them!

Get inspired to see these people again. One way to do it is to help arrange a New College event in your community. The Alumnae/i Association has resources and ideas to make putting on a local reception or outing easy. Or come to a reunion, graduation or PCP in Sarasota. (See, only because you are a New College alum does it seem perfectly natural to be invited to a party called a "PCP.")

If your information isn't accurate, go online to www.newcollege.org and update our records. You can also contribute a squib for the *Nimbus*, make a donation to support New College or post a note on our message board about whatever occurs to you.

However you use this directory, we hope you enjoy it. And keep in touch!

Sincerely yours,

Lawrence Vernaglia
