New College

of the University of South Florida

A Message From the Provost

Two years ago when the newly formed Alumni Association published a directory as one of its first projects, the primary goal was to encourage contact between the College and the alumni. The next step in developing a strong alumni network is to help you keep in touch with old friends and give you the chance to increase your New College contacts. The area directory is designed to help you locate other Novo Collegians who live near you or in areas you plan to visit. In future directories we plan to include listings by professions, graduate schools and so forth.

You, as alumni, are the strength of New College. I hope that as you use this directory you will be creating a network of ties to each other and the College.

A handwritten signature in black ink, appearing to read "Bob Benedetti", with a long, sweeping flourish extending from the end.

Robert Benedetti
Provost

During the past year, thanks to the generosity of you who contributed to the computer fund and the alumni general fund, we've been able to transfer all alumni directory information to the Alumni Association office. I realize any listing covering this number of people and length of time will contain errors and for these I apologize. But many thanks are due to those of you who have been so good to help us update and correct our records. I look forward to hearing from any of you who have name or address corrections and, especially, from you who can help us locate those alums who are still "lost", at least to us.

The first part of the directory is listed alphabetically by last name. We've included the maiden name for women whose name has changed since graduation and inserted a second listing alphabetically by maiden name. (If your name is not listed the way you want it, please let me know and we'll make the correction.) The presence of a year after a name indicates a graduate.

The second part of the directory is in response to requests from many of you for names of people who live in your area. The names have been sorted first by state and then by city to help you locate alums who live near you.

I'd like to say a special thank you to Rab Thornton and Claudia Lawrence in Admissions for developing and maintaining the alumni directory and helping us get all the information transferred, to Chris Eversole and Pat Rozar in Public Affairs for their help in the production of this directory and to Nancy Ferraro and Joyce Alsbaugh in Records and Registration and Jim Feeney in the Provost's office for helping update our records.

If the number of requests for addresses I've had this summer is any guide, the timing is right for a new edition of the Alumni Directory. I hope you enjoy using it.

A handwritten signature in cursive script that reads "Carol Ann Wilkinson".
